**A beautiful book for both children and adults**

This is a lovely book, with beautiful illustrations, for both adults and children, telling a story about a wildlife community living together in nature and reminding us of the importance of protecting, respecting and nurturing our wildlife. Highly recommended.

**Lovely book, beautifully illustrated**

Wonderful story. A sad but positive message about how we can live in harmony with the natural world. Beautiful lino-print illustrations, especially the endpapers. Bought as a gift for my niece.
